

medisana GmbH is one of the leading specialists in the home health care market. As part of the OGAWA Group, one of the world's leading manufacturers of massage products, we are represented in more than 40 countries with various brands. We are developing, promoting and distributing products in the categories of mobile health, health control, wellness, body care, therapy and healthy home for health-conscious consumers worldwide.

We are looking for an employee (m/f/d) who wants to drive our growth together with us. To strengthen our Export Sales Team in Neuss, we are looking for you to take on exciting challenge as an

Export Sales Manager (m/f/d)

Your area of responsibility:

- You will develop individual country and customer strategies in close cooperation with a multifunctional team to be successful in an increasingly competitive market.
- You will provide administrative support for projects and sales activities from the early planning phase to the point of implementation (above all, determination of requirements, preparation of offers including price calculations, order processing, after-sales support).
- You will assume responsibility for your area and push the strategic acquisition of new customers.
- Your duties also include occasional visits from the customers you look after internationally.

Your capabilities:

- Successfully completed university studies
- In-depth experience and knowledge of Sales, Marketing and Product Management
- Very good spoken and written English – knowledge of other foreign languages is an advantage.
- High willingness to travel in your area.
- A high degree of customer orientation as well as a self-confident and personable demeanor.
- Enjoys a high level of personal responsibility and teamwork.
- A good team player and always highly committed
- Solution orientation and high ego-drive
